

## Parent's Right to Know

The federal education law put in place by the Elementary & Secondary Education Act (ESEA) requires that all parents in a Title I school be notified and given the opportunity to request information about the professional qualifications of classroom teachers instructing their child. If you are interested in this information, you may send your request to the building principal who will provide a timely response.

The Lake Preston School District must also provide timely notice that their child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who is not qualified.
