Homeless Policy
Rights of Homeless Students

Lake Preston School District shall provide an educational environment that treats all students with dignity and respect. Every homeless student shall have access to the same free and appropriate educational opportunities as students who are not homeless. The commitment to the educational rights of homeless children, youth, and unaccompanied youth, applied to all services, programs, and activities provided or made available. Lake Preston School District will designate an appropriate staff member as Homeless Liaison to carry out needed responsibilities, as stated in guidance.

A student may be considered eligible for services as a “Homeless Child or Youth” under the McKinney-Vento Homeless Assistance Act if he or she is presently living:

- In a shelter, temporary shared housing, or transitional living program
- In a hotel/motel, campground, or similar situation due to lack of alternatives
- At a bus station, park, car, or abandoned building
- In temporary or transitional foster care placement

According to the McKinney-Vento Homeless Act, eligible students have rights to:

Immediate enrollment: Documentation and immunization records cannot serve as a barrier to the enrollment in school.

School selection: McKinney-Vento eligible students have a right to select from the following schools:

- The school he/she attended when permanently housed (School of Origin)
- The school in which he/she was last enrolled (School of Origin)
- The school in the attendance area in which he/she currently resides (School of Residency)

Remain enrolled: In his/her selected school for the duration of homelessness, or until the academic year upon which they are permanently housed.

Participate in programs: For which they are eligible, including Title 1, National school lunch program, Head start, Even start, etc.

Transportation services: A McKinney-Vento eligible student attending his/her School of Origin has a right to transportation to and from the School of Origin.

Referrals: To health care and immunization services, dental services, mental health services, and other appropriate services.

Dispute resolution: If you disagree with school officials about enrollment, transportation, or fair treatment of a homeless child or youth, you may file a complaint with the school district. The school district must respond and attempt to resolve it quickly. During the dispute, the student must be immediately enrolled in the school and provided transportation until the matter is resolved. The Homeless Liaison will assist you in making decision, proving notice of any appeal process, and filling out dispute forms.

The District Liaison shall ensure that the parent/guardian of a homeless student, and any unaccompanied youth are:

- Assisted in accessing transportation to the selected school
- Provide assistance in exercise of the right to attend the school of choice and other necessary services
- Identified and receive services without being stigmatized or segregated on the basis of homeless status
- Provided the above information in a manner and form understandable to the recipient and if necessary, to the extent feasible, in the native language of the recipient.
