Hi Everyone,

November has been a challenging weather month thus far, especially for the farmers. I hope that everyone completed a successful harvest and all can enjoy some time off for the Thanksgiving break.

I would like to thank all the parents/guardians who attended *Parent/Teacher Conferences*. Reminder to parents/guardians that you can check your child's grades/lunch account utilizing our DDN Campus Parent Portal and we are utilizing paperless grading throughout this year. If you are having any issues with the grading/lunch program, please e-mail Kristi Odegaard at [kristi.odegaard@k12.sd.us](mailto:kristi.odegaard@k12.sd.us)

Winter activities will or have started with practices scheduled. Check out our school calendar for a listing of events to attend. Thanks for your continued support. Good luck to all our students and coaches/advisors.

It's the holiday season and this time of the year brings enjoyment to kids of all ages. Enjoy these special times with friends and family. Our website has the 2017-18 school calendar for planning purposes. Make is a great month!

December 2017

Greetings Parents/Community Members,

The month of November was busy as usual but the students and teachers are doing great. Midterm grades are due November 21<sup>st</sup>. Please make sure you communicate with your child about their grades and congratulate them on their efforts. Teachers are always available if you have any concerns or questions. Students bring home folders each night that have graded assignments and class/teacher/school information. Ask your child about their day, what they learned at school, and continue to read each night before bed.

The Lake Preston Elementary is participating once again in the Fresh Fruit and Veggies Program where students receive a healthy snack on Mondays, Wednesdays, and Thursdays of each week to keep them energized and focused throughout the day. This program is a federally funded grant and we are excited about providing nutritional food to your child(ren).

Guest days have been beneficial to our Title I program. The guest days provide an opportunity for parents and community members to be involved in our school day. The 5<sup>th</sup> and 6<sup>th</sup> grade have completed their guest days and had a great turnout. The other grades will be scheduling their guest days in the future so please be on the lookout for them. As a Title I school, we are always looking for volunteers and parent involvement within our classrooms. Please contact the school if interested.

As basketball season starts up for Lake Preston student-athletes, please make sure your child is conducting themselves in a positive manner during our home and away contests. If elementary students are coming to watch the athletic events, they should sit in the bleachers and behave appropriately. Students will receive a warning from administration and if their parents are not in attendance, they will be asked to leave the contest if the behavior or issues continue.

# Kindergarten

Every Friday morning the kindergarten class and preschool class take some time to do something together. During most of our visits, the students find a preschooler and read them a book they have been practicing. The preschoolers also have a letter book that they make during the week that they read to the kindergarten students. Recently though the kindergarteners have been showing the preschoolers how to use iPads. They always look forward to this time together and being able to teach the younger students something new!
