February Newsletter,

We are right in the middle of winter. Any days missed will be added to the end of the year. With that being said, we will do our best with our daily bus routes. Please do what you can to clean out your roads and driveways so we can pick up your kids. Our bus drivers do the best they can and will make calls ahead of time for adjustments to schedules or pick-up procedures. Thanks for your corporation and understanding.

The end of January and the first part of February are great months to track the legislative issues being debated in Pierre. I have been mainly focused on the bills that would affect schools. Education is a big player throughout the legislative session in Pierre. Listed below is a good web site to find information you may need for this year's legislative session. <http://asbsd.org/index.php/services/billtracker-2/>

January is a very important month for grading purposes. Each student received his or her second quarter grade, semester test grade, and/or first semester grades. Grades 9-12 also were presented their transcripts. Please ask/take some time and go over these important documents with your child. If you have any questions please call the school at 847-4455 (7-12) or 847-4464 (k-6).

If you would like to print out your own report card and transcript from home, here is the web address: https://sis2.ddncampus.net/campus/portal/lake_preston.jsp
You will need to know your username and password, and then click on reports; you will now be able to choose what document you want to print. If you need an updated username and password, please contact Kristi Odegaard at kristi.odegaard@k12.sd.us.

Check our school calendar for dates to attend local, district, region, and state events.

Kids First,

February 2018

Greetings Parents/Community Members,

The 4th through 6th Grade girls and boys basketball teams will be competing in the annual PCW tournament in Lake Preston on February 17th at 9:00 a.m. in the Lake Preston Gyms. Our elementary students have been practicing really hard and learning the fundamentals of basketball. They have improved in such a short amount of time and the coaches are doing a great job as well. If you have a free weekend, please consider supporting our future Divers!

The Kindergarten Round-Up for the 2017-18 school year is scheduled for March 21st. If your child is eligible for the 2018-19 Kindergarten class, please register your child by calling Tersia Warne at the Lake Preston School at 847-4464. Please spread the word to area families and friends that are interested in attending the Lake Preston School.

We continue to find success on parent/student involvement with providing guest days for each elementary class. This is a great way to understand what your child is learning throughout the year and to have opportunities to meet your child's teacher. Classroom teachers do a wonderful job at planning a fun yet informative event. Parent/student involvement within our school is key for a positive and open relationship.

Sickness has been an issue with not only students but staff members as well. Make sure you are encouraging your child to wash their hands, cover their mouth when coughing, and getting enough sleep to stay as healthy as possible. If your child is sick, please communicate with Tersia in the office as well as the classroom teacher.

Important Dates Upcoming:

- February 7th – 3rd Quarter Mid-Terms
- February 12th – School Board Meeting @ noon
- February 17th – PCW Basketball Tournament
- February 19th – No School (President's Day)
- February 21st – In-Service (2:00 p.m. Dismissal)
- February 27th – 2nd Grade Guest Day

Dana Felderman
Elementary Principal/Co-Athletic Director

Please make sure all K-6 students have P.E. shoes that stay at the school for physical education class and inside recess. Having additional shoes is for safety reasons and keeping our facilities as clean as possible. If you have any questions or concerns, please contact the school.

First Grade

Cupid has struck! The first graders were asked who their special valentine would be and why. Here are their responses:

Case-My mom because she loves me.

Allison-My Aunt Diane because she is nice to me most of the time.

Nolan-My grandma because she lets me do whatever I want at her house.

Draycen-My brother Zander because he lets me hold him.

Bentlee-My grandpa because he lets me have pop and help him.

Hope-My mom because she takes me where I want on Friday and Saturdays.

Emsley-My dog because she snuggles with me at night.

Owen-My sister Everly because she is a nice little girl and sister.

Kayla-My sister Emma because she gives me candy.

Shane-My mom because she gives me candy sometimes when I'm good.

Jackson-My mom because she keeps me warm at night.

Second Grade Newsletter

This past week, the second graders read and discussed the life of Martin Luther King. We also talked about how to make our world a better place. The students came up with one idea of their own.

Dani – I would change the world by stopping people from killing animals.

Kamdon – I would change the world so you can't litter.

Mary – I would change the world by stopping the fighting and make our world better.

Leigh – I would change the world by making people pick up litter and recycle.

Owen – I would change the world by telling people to not litter and pick it up if you do.

Alise – I would change the world so that people don't fight. I would say if you fight, you will have to move out of your town.

Alec – I would change the world by stopping people from killing birds because some birds look cute and make our world better.
