May Newsletter,

With the prom behind us and graduation May 12th, **this** is a great website jam-packed with parent safety information. www.safesouthdakota.com. Take some time and browse through the links.

Students will be checking out of school and enjoying the great time off from school, while we will be getting ready for next year. We have many reports to complete and numerous projects on task. The **first** task will be to secure a full staff with all programs available for our district's children. We will then move on to updating our facilities both inside and outside. Structural improvements are a priority and it is my intent to **keep** our school looking and functioning effectively and efficiently.

Please refer to our May calendar with times and dates of important events. Good luck to our seniors with their new endeavors, **you** are ready!

See you on the streets, lake, or golf course. Have a **great** summer!

May 2018

Greetings Parents/Community Members,

During the month of April, the Lake Preston students and staff finalized the statewide assessments. Students and teachers worked hard to complete the testing and tried their best on every test. Taking state assessments provides feedback to our school district on student knowledge and progress throughout the years which is valuable for determining the needs of our students. Students that tested this year were rewarded with inflatable toys on May 3rd for their efforts!

With field trips, concerts, and other activities coming quickly to wrap up the school year, please communicate with your child(ren)'s teacher on events that will be going on in the first couple weeks of May. Please pay attention to the school activities calendar, Class Dojo, and Facebook for more information regarding upcoming activities. If you have any questions, please contact the classroom teacher or office.

The last day of school is May 16th at 2:00 p.m. The elementary (Grades K-6) will be having their awards day in the Aux. Gym at 12:30 p.m. When awards are finished, students may go home with their parents after they have checked out with their teacher and have all belongings for the summer. Throughout the summer, please continue to exercise your child(ren)'s mind with reading, hands-on projects, social activities, and being active.

I would like to thank all students, teachers, school employees, parents, and community members for a great school year. I appreciate all the support in making the Lake Preston school system a great place to educate children and providing endless opportunities. If any concerns or questions arise over the summer, please give the elementary office a call at 847-4464 or stop in with our office hours being 9:00 a.m. to 3:00 p.m.

LAST DAY OF KIDS FIRST IS APRIL 26TH

6th Grade

The 6th Grade class would like to thank everyone for coming to see our Science Fair April 6th. We really enjoyed the experience and talking about our projects with everyone. We would also like to invite everyone to come again Friday, May 4th for our Heritage Day presentations. We will again be in the main gym, from 2 to 3:30. We have finished the novel The View From Saturday for March and our last novel unit is in reading groups with one group reading Where the Red Fern Grows and the other group reading The Hobbit. We are looking forward to the end of the year, field trips, spring weather, and getting to do more activities outside. We have just finished our Smarter Balanced state testing, and although we are all drained, we did our best but are glad it is over.

As an aside, I, Mr. Whetsel, would like to thank all of the students I have taught in the past 5 years, their parents, and the community of Lake Preston. As you may have heard, this will be my last year teaching 6th Grade here. My wife, Pastor Teresa, has been appointed to a different church and in June we will be moving to Miller, SD. I have a teaching job lined up there, teaching JR High Social Studies. It has been an honor and a privilege to be a part of the Lake Preston School. You have a wonderful, dedicated, caring, highly qualified staff here in the school and I wish them and the community the best. Thank you.

Report Cards

Attention Parents/Guardians:

The school will be mailing out report cards and 9-12 transcripts once the grades are finalized for the end of the year. Please be looking for them in the mail.
