Time: June 18-21, 2018

Location: Solberg Hall Computer Lab, SDSU

Registration due date: 6/1/2018

Contact: Bill Alsaker

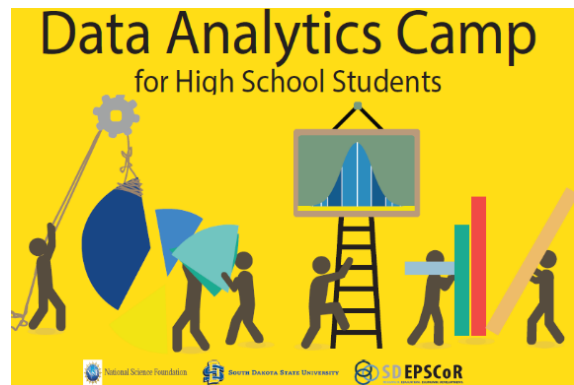

William.alsaker@sdstate.edu

Xijin Ge Xijin.Ge@sdstate.edu

Linda Wendt 605-688-6196

Cost: Free

Who: 10-12th graders

This is a FREE 4-day summer camp. Food and lodging provided. This camp is aimed at creating a fun and stimulating experience for current high school students in using computers to analyze data. You will learn some basic statistics and math topics. Have fun analyzing and visualizing data. Engage in fun activities, such as analyzing the number of chocolate chips on cookies. Learn how to write computer programs through examples. Led by SDSU professors and graduate students, you will work in a computer lab at SDSU. Spaces are limited. Sing up now to secure your spot at <https://GOO.GL/ijQ86j> or scan the QR code to the right.

Sponsored by [SD EPSCoR](#), [BioSNTR](#), [NSF](#), and [the SDSU Department of Mathematics and Statistics](#).

Pictures from past camp are available [here](#).
